

LEARN Short Survey for LNNGOs in South Sudan

About this survey

The questions in this survey help LEARN tailor trainings—such as Rapid Response Team (RRT) trainings—and other technical assistance. We are asking your organization to provide:

- 1) Up-to-date organizational information;
- 2) Information on whether you are currently responding to any infectious disease outbreak(s) and where; and
- 3) Your experience and capacity related to outbreak preparedness and response.

What happens to your responsesYour individual responses and data will only be accessible to the LEARN team. LEARN will analyze the data and produce aggregate summaries to inform training design, technical assistance, and learning activities. We will use responses for portfolio and time-based analysis, but individual organizations will not be named in public reports.

Section A. Organization Information

Name of your organization

Select your organization from the list

- ☒ WART
- ☐ WAO
- ☐ ACRA
- ☐ HAA
- ☐ MEDICAIR
- ☐ HDC
- ☐ YOCASS

Is your organization registered in your country as an independent or national non-governmental organization (NGO)?

- ☒ Yes
- ☐ No

If YES to the previous question, please upload your registration certificate.

Click here to upload file. (< 10MB)

Please provide the validity period of the organization's registration (for both prior LEARN participants and those who have not participated).

Section B. Current Participation in Outbreak Response

Is your organization currently participating in an infectious disease outbreak response?

- ☒ Yes
- ☐ No

Which outbreaks is the organization currently responding to?

- ☐ Monkeypox
- ☐ Crimean–Congo Hemorrhagic Fever
- ☒ Ebola Virus Disease or Marburg Virus Disease
- ☐ Lassa Fever
- ☐ MERS or SARS
- ☐ Nipah / Henipavirus
- ☐ Rift Valley Fever
- ☐ Zika Virus Disease
- ☐ Unknown Disease
- ☐ Measles
- ☐ Cholera
- ☐ Dengue
- ☐ Other (please specify)

Outbreak Details

1

Details for: Ebola Virus Disease or Marburg Virus Disease

* Please specify the outbreak name

Location of the outbreak – detailed description.

*** Which state(s) does this outbreak response cover? (check all that apply)**

- ☐ Abyei Region
- ☒ Central Equatoria
- ☐ Eastern Equatoria
- ☐ Jonglei
- ☐ Lakes
- ☒ Northern Bahr el Ghazal
- ☐ Unity
- ☐ Upper Nile
- ☐ Warrap
- ☐ Western Bahr el Ghazal
- ☐ Western Equatoria

*** South Sudan Sub-national Level 2 – Counties (check all that apply)**

- ☐ Juba
- ☐ Kajo-keji
- ☐ Lainya
- ☐ Morobo
- ☒ Terekeka
- ☐ Yei
- ☐ Aweil Centre
- ☐ Aweil East
- ☒ Aweil North
- ☐ Aweil South
- ☐ Aweil West

*** What type(s) of support is your organization providing in this outbreak? (Check all that apply)**

- ☐ Coordination
- ☒ Epidemiology & Surveillance
- ☐ Specimen collection
- ☒ Risk communication & community engagement (RCCE)
- ☐ Infection Prevention & Control (IPC)
- ☐ Other (please specify)

If you selected 'Other', please specify.

Section D. Organizational Capacity

Does your organization have an active Rapid Response Team (RRT)?

- ☒ Yes
☐ No

Has any member of your staff completed the WHO Rapid Response Team Advanced Training?

- ☒ Yes
☐ No

Does your organization have experience developing community-level outbreak response plans for infectious diseases?

- ☒ Yes
☐ No

Does your organization have practical experience reporting and managing outbreak-related data within the current response?

- ☒ Yes
☐ No

Section E. Coordination & Meetings

Is your organization currently attending coordination meetings related to outbreak response?

- ☒ Yes
☐ No

If YES, how frequently do you attend?

- ☐ Weekly
☒ Monthly
☐ Quarterly
☐ Annually

Date of the most recent meeting your organization attended.

2026-01-12

Section F. Team Backgrounds

Within your team, do you currently have staff/volunteers with the following backgrounds? (Check all that apply)

- ☒ Public health (e.g., physicians, nurses, public health volunteers)
- ☐ Veterinary (e.g., veterinarians, para-veterinarians, extension officers)
- ☐ Environmental experts (e.g., ecologists, biologists)
- ☒ WASH experts (Water, Sanitation and Hygiene)
- ☐ Risk communication & community engagement (RCCE) experts
- ☐ Socio-economic experts
- ☐ Protection experts
- ☐ Emergency logistics
- ☐ Other (please specify)

If you selected 'Other', please specify.

Section G. Location & Accessibility

In which state(s) do most of your field staff currently work? (Check all that apply)

- ☐ Abyei Region
- ☐ Central Equatoria
- ☒ Eastern Equatoria
- ☐ Jonglei
- ☐ Lakes
- ☐ Northern Bahr el Ghazal
- ☒ Unity
- ☐ Upper Nile
- ☐ Warrap
- ☐ Western Bahr el Ghazal
- ☐ Western Equatoria

Is your organization currently operating in or near conflict-affected areas?

- ☒ Yes
- ☐ No

If YES, please describe travel or communication constraints your team faces. Enter "NOT APPLICABLE" if you answered NO.

Section H. Training Participation & Feasibility

Does your organization have stable internet access?

- ☒ Yes
- ☐ No

Which training format would best suit your organization's current situation?

- ☐ Online live sessions (Zoom/Teams)
- ☒ Self-paced online (Kaya or videos)
- ☐ Offline digital (USB, Kolibri, mobile files)

Does your organization have reliable internet for virtual participation in training sessions?

- ☒ Yes
- ☐ No
- ☐ Uncertain

Is there a nearby IMC office or partner facility your team could access to participate virtually in the training (if needed)?

- ☐ Yes
- ☐ No
- ☐ Uncertain

Does your team have access to a suitable device for online learning (e.g., smartphone, tablet, or laptop)?

- ☒ Yes
- ☐ No

Thank you. Your responses will be used by the LEARN team to tailor trainings and technical assistance.
